

Shikher Singh

Roorkee, Uttarakhand, India

shikhersingh32286@email.com | +91-9779041940 | LinkedIn | GitHub | GeeksforGeeks | LeetCode

OBJECTIVE

B.Tech Computer Science student skilled in Java, JDBC, MySQL, and DSA, seeking software development opportunities to apply problem-solving and development skills.

EDUCATION

- | | |
|---|-------------------|
| • Galgotias University, Greater Noida, India | 2024 – Present |
| B.Tech in Computer Science and Engineering | CGPA: 8.54 |
| • Army Public School No.1 (CBSE), Roorkee, India | 2023 |
| Senior Secondary (Class XII) | |
| • Army Public School No.1 (CBSE), Roorkee, India | 2021 |
| Secondary School (Class X) | |

TECHNICAL SKILLS

- **Programming Languages:** C, Java
- **Web Technologies:** HTML, CSS
- **Database:** MySQL
- **Tools:** Git, GitHub, VS Code, Eclipse, IntelliJ IDEA
- **Concepts:** Object-Oriented Programming, Data Structures, File Handling, JDBC

CERTIFICATIONS

Deloitte Australia – Data Analytics Job Simulation (Forage)

Forage Academy – Data Labeling Job Simulation

C Programming, ChatGPT for Everyone, Introduction to Data Engineering and Big Data

Java for Beginners, Java Collections, Servlets & JSP, Mastering MySQL, DSA using C

SOFT SKILLS

- Communication and Presentation
- Teamwork and Collaboration
- Problem-Solving and Analytical Thinking
- Time Management and Prioritization
- Leadership and Initiative

PROJECTS

- **MedConnect1 (Java, JDBC, MySQL)** [GitHub]
Developed a healthcare management system handling patients, doctors, appointments, and billing. Implemented secure database operations using JDBC and MySQL with modular backend architecture.
- **AgriConnect (Java, MySQL)** [GitHub]
Built a Java-based GUI application enabling farmers to manage crop data with real-time MySQL integration.
- **CGPA Calculator (C)**
Developed a console-based CGPA calculator with input validation and modular programming principles.
- **Banking System (Java)**
Designed a basic banking application supporting login, deposit, withdrawal, and balance inquiry using OOP and exception handling.

COMPETITIVE PROGRAMMING

- **GeeksforGeeks:** Score 287 — Problems Solved 156 (49 Basic, 53 Easy, 50 Medium, 4 Hard)
- **LeetCode:** Problems Solved 101 — Global Rank 1,380,005

WORK EXPERIENCE

- **Software Development Intern – CodeAlpha (Virtual)**
Worked on Java and C++ projects including CGPA Calculator and Banking System. Applied OOP, file handling, and DSA concepts. Gained hands-on experience in debugging, logic building, and clean coding practices.
